

M.R.F. Supervisor's Monthly Report Feb. 6th, 2015

The fun had at the M.R.F. by myself and Carey for the month of January includes:

Accepting incoming garbage and recyclables
Sorting recyclables
Crushing the glass
Baling recyclables
Working on the electronics
Sorting old paint
Working on the haz-mat
Moving snow
Sorting scrap metal
Smashing the demo boxes
Cleaning the shop and garage
Answering phone calls
Plus the daily routine

Additional info:

1. Carey and I need to register for the annual Hazardous Material Awareness & Waste Disposal Training. The Class falls on April 1st. That is a Wednesday so we will have to close. I really don't think it will be an issue that time of year. Let me know as soon as possible so we can plan.

2. I haven't heard anything on the glass crusher status. I will make some phone calls and see what is happening.

Respectfully submitted,

Ted Pallas Supervisor M.R.F.
